Howard

About The Coach . . .

Few coaches in the nation today can look back on so many glorious years as Frank Howard. The bountiful harvest began in his undergraduate days at Alabama when the Crimson Tide played in the 1931 Rose Bowl game.

Coming to Clemson the same year as line coach he served with the Tigers in that capacity when they went to the 1940 Cotton Bowl. Since then he has carried his own teams to the Gator Bowl twice, the Orange Bowl twice and to the Sugar Bowl.

In 1940, 1948, 1956 and 1958 his teams were conference champions; in 1948 and 1958 he was the conference coach of the year; he has coached numerous all-conference players; his travels hold an international flavor; he is in constant demand as a banquet and clinic speaker; and twice his Clemson friends have presented him with a new car and on another occasion, a complete silver service.

Such is the life of a man who after 19 years of coaching owns 106 wins, 68 losses and 10 ties. Only five other active coaches own more wins.

In six years of Atlantic Coast Conference football under Howard Clemson has won 18, lost 9, tied 1 in league wars and overall the record is 37-21-3.

rule changes for 1959

by Charles W. Tucker, Jr.

"Unless I miss my guess, those goal posts are wider apart this year." Well, you are right, my friend, they are wider apart this year. Last season, and as far back as most of us can remember, they were nineteen feet and two inches across, outside measurement. This season they are twenty-four feet across, outside measurement, or approximately five feet wider. "How come?" The answer is simple: To encourage more field goal attempts and further open up the game of football. There was considerable talk of moving the goal posts up to the goal line, ten yards closer, such as they are in professional football; and everyone knows how important the field goal has become in the "Pro" Game. On the other hand, the Rules Committee of the N. C. A. A. felt in the best interests of safety they had better leave the goal posts on the end line where they have been for many years. The alternative was to widen the distance between the uprights by five feet and in this way encourage more field goal attempts.

There were fewer changes in the rules this year than heretofore, but the following will be most noticed.

1. No distance penalty shall exceed half the distance from the enforcement spot to the offending team's goal line.

As an example of the application of the new rule, let's assume that Team A has the ball on Team B's fifteen-yard line. On the next play, Team B was detected holding Team A's end on the line of scrimmage. The penalty for this foul is fifteen yards, and last year the ball would have been placed on Team B's one yard line after the distance penalty had been marked off. This year the maximum penalty would place the ball on the seven and a half yard line (one half the distance to the goal). The only distance penalty that will place the ball on the one-yard line this year is for a defensive foul committed on the two-yard line.

2. On successful try for point(s) with foul by Team B, Team A has choice of accepting score and penalty

from following kickoff, or declining score and repeating try after penalty.

This is a significant rules change and could penalize Team B severely for a defensive foul on the try for point after a touchdown. As you will recall, the try is now made from the three-yard line and counts two points if it results in what would have been a touchdown, and one point if it results in what would have been a field goal or safety. Let's assume Team A has scored a touchdown and is about to make the try from the three-yard line. They are successful in a field goal attempt, and on the play Team B is offside. Under last year's rule, Team A is awarded one point for the field goal and Team B is penalized five yards on the following kickoff. This year Team A gets a real break as they can elect to take the penalty and repeat the try. In this case, the ball would be placed down on the one and one half yard line and Team A would most likely go for the two points.

3. Substitution rule further liberalized to permit free substitution of one player of each team when game clock is stopped.

Under last year's Substitution Rule, any player could re-enter the game once during the same quarter. In other words, the same player could be in and out of the game eight times during the four quarters. This year the rule has been further liberalized to the extent that one player of either team may go into the game between downs when the clock is stopped, and this does not count as one of his official entries.

4. Number of time outs changed from four to five.

This year each team will be allowed five free time outs without penalty, in each half. Last year the number was reduced from five to four, but now the Rules Committee has decided to allow the same number as in the years prior to 1958.

DEAN WALTER T. COX, Clemson '39, is in charge of all student activities on the campus . . . was on coaching staff and alumni director being promoted to his present post . . . played football under Frank Howard and was on the '39 team that played in the 1940 Cotton Bowl . . . served as baseball coach and ticket manager . . . served as assistant to president . . . native of nearby Belton.

WILSON, Clemson's comptroller . . . came to Clemson in 1955 . . . formerly executive director of the South Carolina Employment Security Commission . . . a graduate of the University of South Carolina . . . has also done graduate work in fields of political science and public administration . . . has charge of all money matters pertaining to the college.

KINARD, dean of the college . . . in charge of all academic affairs on the campus . . . a graduate of Wofford College . . . has been on Clemson faculty for past 34 years. . . was instructor of English before being made dean of the School of Arts and Sciences, a post he held 12 years before being appointed to present post . . . married to former Elizabeth Lake Jones of Greenville.

Today's Game

One of the toughest opponents that Clemson has faced in the past comes to Memorial Stadium today in the form of the Maryland Terps.

Clemson and Maryland didn't play their first game against each other until 1952, a year before the Atlantic Coast Conference was formed. However, since that time the two have met each year and the Tigers just claimed their first win two seasons ago. Clemson also won a year ago, 8-0, on a "home run" pitch from Harvey White to Wyatt Cox that covered 50 yards. Previous to that Clemson had a 6-6 tie in 1956 and four straight losses from 1952 through 1955.

Although the Terps have only won two games this season, they have played some of the top teams in the nation.

After tripping West Virginia, 27-7, the Terps fell to two of the nation's powerhouses—Texas and Syracuse. Both are undefeated and ranked one and two in the country.

Wake Forest bested the College Park team, 10-7, but the following week end Maryland came back with a tremendous effort to beat North Carolina, 14-7, a team that Clemson only beat two points. South Carolina and Navy also added a Terp shell to their collections.

Maryland possesses a big and fast line and many of the faces who held Clemson scoreless on the ground last fall are still around. Their three top linemen are tackle Kurt Schwarz and guard Rod Breedlove and Tom Gundermann. The Terp ends will probably be Gary Collins and Vincent Scott, the other tackle Joe Gardi and center Vic Schwartz. While these men are not as big as Clemson's line, they are faster.

Dick Novak, Dwayne Fletcher and Dale Betty have all guided the Terps this season, using Coach Tom Nugent's 'I', spread and 'T' formations. Jim Joyce, Pat Drass and Ken Houser all operate at fullback with Joyce being the ACC's top rusher. Ev Cloud, Jim Davidson, Gene Verardi and Joe Mona handle the halfback spot.

Fans will see today more varied formations from these players than at any other time this year.

Nobody Says "Sis-Boom-Bah" Any More!

It went out of date with the flying-wedge and handlebar mustaches. But the game goes on with new plays and new cheers. Uniforms are an ancient and traditional garb but today we bring to them modern fabrics—improved technique—advanced craftsmanship and contemporary design. Uniforms for Clemson and other fine colleges—"Uniforms of Distinction"!

The Clemson Tigers trot on the field on the world's largest and most unusual college banner. Presented to the college by the Wunda Weve Carpet Co., of Greenville last year, the banner measures 104 feet long and is 13 feet wide. The banner, which weighs 527 pounds, accompanied the team to the Sugar Bowl in New Orleans this past New Year's Day.

Clemson
House

In the foothills of the beautiful Blue Ridge Mountains, you'll find the Clemson House located in a unique setting — right on the campus of Clemson College. Here you will find all of the services of a great metropolitan hotel yet you will be far away from the noise of a large city. And you'll enjoy the beautifully landscaped grounds and the flower beds. The splendid accommodations and the excellent cuisine offered at the Clemson House are combined with warm friendly hospitality and fine service. The Clemson House is a gem among fine hotels, and the rates are almost unbelievably low. All rooms are air conditioned. Four dining rooms and the Tiger Lounge and Coffee Shop. There is swimming, fishing and golf nearby.

1959-60 Basketball . . .

The usual tough schedule stares Clemson in the face again on the basketball courts this season with all seven Atlantic Coast Conference teams being met twice. Home-and-home games are also planned with Furman and Davidson and single games against Erskine, Tennessee, Villanova and Florida State.

The Tigers will participate in one holiday tournament, that being the All-College festival in Oklahoma City, Okla., Dec. 28-29-30. Other teams in the tourney are Cornell, Niagara, Bowling Green, (O.), Utah State, Wichita, Tulsa and Oklahoma City.

Coach Press Maravich, starting his fourth season at Clemson, is optimistic about the outlook for the coming year. The Tigers ended in a dead heat for sixth place in the ACC last season, highest any Clemson team has been since the loop was formed.

Returning for the upcoming cage wars are eight lettermen. Add to these some promising sophomores and Maravich could produce his best team since arriving here from Aliquippa (Pa.) High.

George Krajack, who lead the team in scoring with a 13.0 mark as a junior, spearheads the group of veterans. Bill Warren (9.2), Don Carver (9.1), Walt Gibbons (6.6), Earle Maxwell (5.2), Dutch

Shample (5.0), Ed Krajack (4.1) and Frank Clarke (1.7) are all vieing for an opening berth.

But these eight have some outstanding competition in three freshmen, namely Choppy Patterson, Bob Benson and Tom Mahaffey.
